

Pigs

The best district for a pig farming enterprise appears to be **bahati rural**. Here's why:

- **Farm Gate Prices:** bahati rural offers competitive farm gate prices at **300,000**, which is lower than some other districts but still reasonable.
- **Market Prices:** The market prices in bahati rural are **450,000**, which means there's no significant loss between the farm gate and the market.
- **Cost Drivers:** The cost drivers in bahati rural are **81,000**, which is relatively low compared to some other districts.

Goats

The best district for a goat farming enterprise appears to be **bahati rural** as well. Here's why:

- **Farm Gate Prices:** bahati rural provides decent farm gate prices at **60,000**.
- **Market Prices:** The market prices in bahati rural are also **80,000**, indicating minimal loss between the farm gate and the market.
- **Cost Drivers:** bahati rural's cost drivers are **239,000**, which is among the lowest in the list.

Dairy Cow

The best district for a dairy cow enterprise seems to be **korogwe**. Here's why:

- **Farm Gate Prices:** korogwe offers farm gate prices at **1,000 per litre**, which is reasonable.
- **Market Prices:** Market prices in korogwe **1,200 per litre**, indicating minimal loss between the farm gate and the market
- **Cost Drivers:** The cost drivers in korogwe are **47,100**, which is reasonable considering the potential profitability of dairy cows.

Beef Cattle

The best district for a beef cattle enterprise appears to be **handeni**. Here's why:

- **Farm Gate Prices:** handeni provides competitive farm gate prices at **600,000**.
- **Market Prices:** Market prices in handeni are **900,000**, indicating minimal loss between the farm gate and the market.
- **Cost Drivers:** The cost drivers in Handeni are **545,500** which is relatively low.

Local Chicken

The best district for a local chicken enterprise appears to be **Maswa**. Here's why:

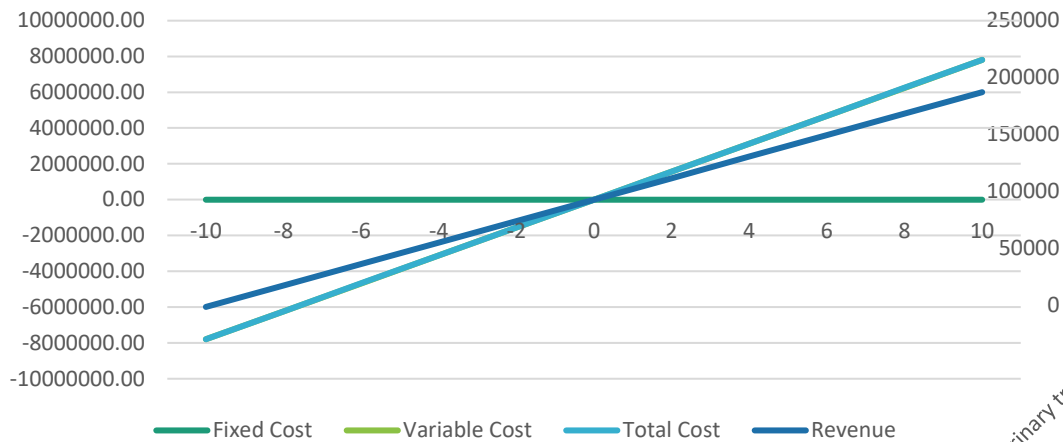

- **Farm Gate Prices:** Maswa provides decent farm gate prices of **15000** for local chickens.
- **Market Prices:** Market prices in Maswa are reasonable(**18000**), and there is potential for profit.
- **Cost Drivers:** The cost drivers in Maswa are **101,000**, which is relatively low.

Improved Chicken:

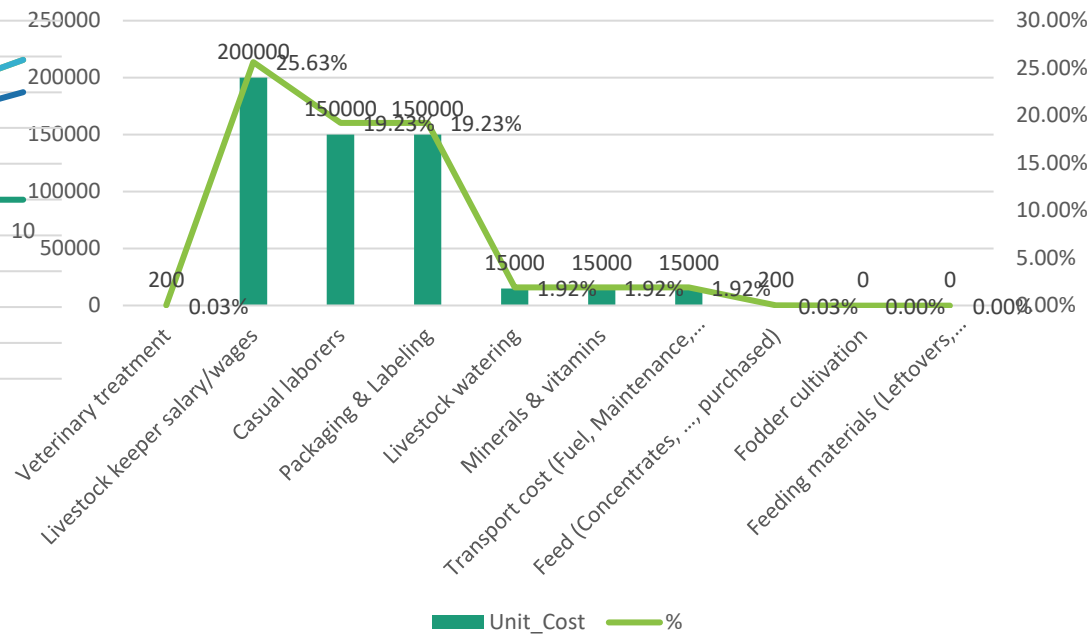

The best district for an improved chicken enterprise appears to be **Korogwe**. Here's why:

- **Farm Gate Prices:** Korogwe offers farm gate prices for improved chickens.
- **Market Prices:** Market prices are not provided, but Korogwe is a good starting point for this enterprise.
- **Cost Drivers:** The cost drivers in Korogwe **not provided**.
